Hey! Sorry for the late reply, I'm getting a lot of messages and personally writing everyone back. But I'm glad you found me! 😊 I'm currently expanding my team, and looking for people who want to turn their smartphone into a business, and make an income from home!

We get PAID 💰 to grow the company, and we do it all by promoting, & posting content for them online (training & support is provided). People on our team are making anywhere from \$100+ to \$1000's weekly! (Depends on your work ethic) (You'll also have access to our credit repair program, cashflow strategies, & MORE!)

1. Click my website in my bio, click Make Money button & watch the video for more on how it works 😊 let me know when your done, or if you have any questions!

👉 I'm taking ONLY 20 ppl under my wing at a time, so I'm looking for ppl who are serious about making money online 💰 so they can see maximum results, so let me know if you have questions, or when you've registered so I can get you added ASAP!

Hey! I'm glad you found me! I'm with an excellent company who's helped thousands of people like yourself, remove millions of dollars worth of debt/collections successfully! 😊 Anything can be removed (collections, medical debt, student loans, credit cards, evictions, late payments, etc)!

Our company has a DIY program that has successfully helped thousands of ppl remove millions \$ of collections/debt. We take advantage of a law/legal loophole called the FCRA. This strategy has proven to work with our letter templates, etc. We also have a private Facebook group/chat with hundreds of others as well fixing their credit, and experts you'll have access to (including myself).

👉 To get started, click the link in my bio & visit the credit repair link. I am only working with 10-15 ppl at a time so they can see maximum results, so let me

know if you have questions, or when you've registered so I can get you added ASAP!

Message 1

Hey what's up, thanks for your patience! I have a lot of messages & only work with 10 people / week. I would love to help you fix your credit & remove negative items!

We have a DIY Credit Repair software that helps you repair your OWN credit by removing negative items such as (collections, evictions, late payments & more) & you can see results in as little as 60 days. Have you heard of MyEcon?

Message 2

We are a personal Financial Success Company. We have been in business for 16 years. We are accredited & backed by the BBB with an A + rating. How our myCredit system works is we educate our members on how to repair their credit by using our simple step-by-step training videos & dispute forms.

I personally know this works & know it can work for you, bc we've helped people remove over ONE MILLION negative items from their credit report! I will mentor you to ensure you're able to see results as well! If I may ask what's everything from your credit that you'd want to try & get permanently removed?

Message 3

That's definitely something you can get removed! Most see results in as little as 60 days!

Message 4

If you have any questions please ask and if you are ready to get started now, it only takes 3 minutes. I can send you my website to get started.

You can get access to the software & our private fb community where we guide you on the entire process for only \$39.95 ONE TIME (includes 1st month) & \$34.95/m no contract (limited promo we have) there's also more info on my site!

Message 5

Here's my website! Let me know once you have signed up so we can get you started! www.YOURCREDITWEBSITEHERE.com

Hey! Sorry for the late reply, I'm getting a lot of messages and personally writing everyone back. But I'm glad you found me! I'm with an excellent company who's helped thousands of people like yourself, remove millions of dollars worth of debt/collections and are now in the 700/800 club! 😊

Anything can be challenged, and potentially removed (collections, medical debt, student loans, credit cards, evictions, etc). Most people charge hundreds, if not thousands for the same results you can get here for almost nothing! We also have a private facebook group/chat you will also be introduced to once you join.

👉 in order to get started, click the link in my bio & visit the credit repair link. It will take you to my website where it breaks everything down (please watch the full video). I am only working with 10-15 ppl at a time, so let me know if you have questions, or when you've registered so I can get you added ASAP!
